NATIONAL SURGICAL INSTITUTE.

One of the Surgeons of this old and notable Institute will visit Ripley, Miss., Nov. 21, 1881, stopping at the Hines' House.

The object of this visit is to give the afflicted an opportunity for examination at or near their homes, thus saving hopeless cases the expense of a trip to Atlanta. A careful examination will be made, and patients can learn if their cases are curable or can be benefited, and whether it will be necessary for them to visit the Institute. In such cases as can be cured, or treatment begun at home, arrangements can be made with our visiting Surgeon, and treatment commenced at once.

Cases of Deformities and Chronic Diseases will be examined, such as Club Feet, Diseases of the Hip, Spine and Joints, Paralysis, Piles, Fistula, Catarrh, Female and Private Diseases, and Diseases of the Eye, Ear, etc.

—Come early, as the visit is limited to the time stated. For circulars and full particulars, address NATIONAL SURGICAL INSTITUTE, ATLANTA, GA.

Humbugged Again.

I saw so much said about the merits of Hop Bitters, and my wife who was always doctoring and never well, teased me so urgently to get her some I concluded to be humbugged again; and I glad I did, for in less than two months use of the Bitters my wife was cured and has remained so for eighteen months since. I like such humbugging.—H. T., St. Paul.—[Pioneer Press.

Miss Reaves, of Saulsbury, Tenn., who has been visiting Miss Ella Worsham at this place, returned home on Tuesday last.

CONSUMPTION CURED.

Baltimore, Md., Feb. 12th 1881, Upon the recommendation of a friend, I tried Brown's Iron Bitters as a tonic and restorative for my daughter, whom I was thoroughly convinced was fast wasting away in Consumption. Having lost three daughters by the terrible disease, under the care of eminent physicians, I was loth to believe that anything could arrest the progress of the disease; but to my surprise, before my daughter had taken one bottle of Brown's Iron Bitters, she began to mend, and is now quite restored to her former health. A fifth daughter began to show signs of consumption, and when the physician was consulted, he quickly said, "Tonics were required!" And when informed that the elder sister was taking Brown's Iron Bitters, responded, "That is a good tonic take it."

ADORAM PHELPS, Of Askey & Phelps.

—Mr. W. F. M. Smith, of Orizaba in this county, one of our oldest and best citizens, left with his family for Mexia, Limestone county, Texas, on Monday last, where he goes to reside permanently. We have no more such citizens to spare. May many years of happiness and prosperity be the good fortune of him and his in their new home in the far west.

Tobacco, Snuff and Cigars always on hand at HUNT & MCCARLEY'S.

Remember the Old Whiskey House.

I take this method of informing my friends and the public generally that I am at the same old stand on the west side of the public square, with a full line of straight Kentucky and Tennessee whiskeys for this market, which I will sell on the most reasonable terms, from one pint to five gallons.

Respectfully,

T. O. WILLIS.
